 - Esther Rodriguez, Construye_2020Plus; Livia Miethke Morais; Silvia Santos, Construction Blueprint
- **12:40-12:45** *Wrap-up and last live poll*

Interactive Panel Discussion

- Livia, which stakeholder groups have expressed interest in the ESI Europe project?
- Esther, How easy is it to apply the skills and qualifications stemming from Construye2020_Plus?
- Silvia, one of the problems for the scaling up of renovation is the relatively small labour force to cope with the potential demand for renovation. What actions are being taken by the Construction Blueprint project to promote training in this area in the sector?
